YOU DON'T NEED A COMMUNITY
PLATFORM TO INITIATE
COMMUNITY INITIATIVES, BUT IT
CAN MAKE ALL THE DIFFERENCE.

DESIGNING OUR COMMUNITY ROADMAP

OUR COMMUNITY STRATEGY

SCALE

We want to facilitate a strong 1:Many approach where we can engage with many customers and ensure their success.

ENABLE

We want to ensure that all customers are properly enabled on all areas and use cases of the software.

CONNECT

We want to facilitate relationships and connections customers with one another to share ideas and insights.

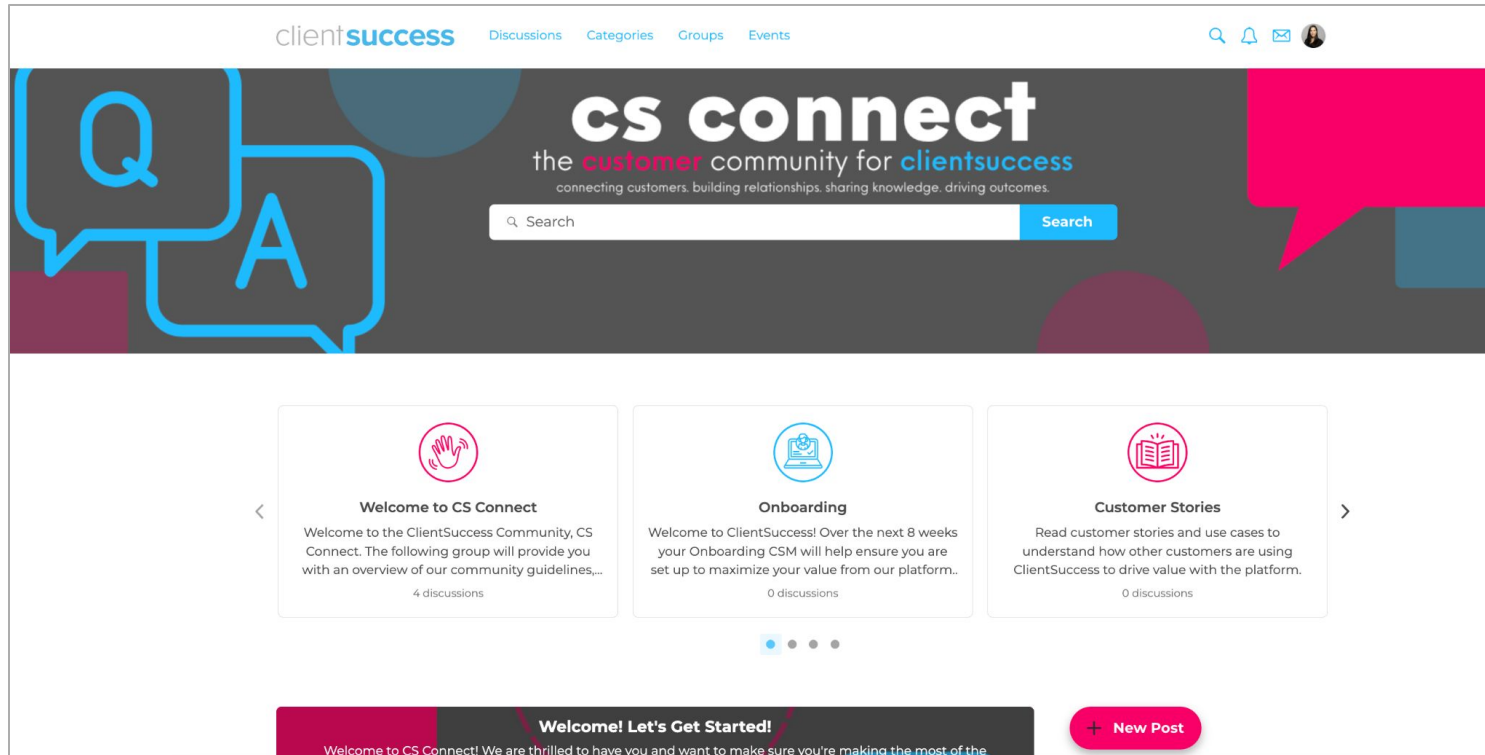

GROW

We want to support the growth of our clients business as well as ClientSuccess.

GETTING READY FOR V.2

INTEGRATIONS

Are there additional integrations that should be added or considered? How can we use the community insights?

1

PLATFORM ADD-ONS

Are there additional features or plugins that should be considered to optimize the end user experience and to ensure their long term engagement?

3

2

IDENTIFYING TOP CONTRIBUTORS

Who are the users that are contributing the most amount of content, engaging with the most content or have top performing content?

4

REPORTING AND PERFORMANCE

What is the data telling us about customer engagement, usage and adoption of the new community platform?

5 REASONS TO CONSIDER COMMUNITY

1.

**ENABLES
BRANDS TO
ENGAGE WITH
CUSTOMERS
AT SCALE**

2.

**FACILITATES
ONGOING
KNOWLEDGE
SHARING AND
LEARNING**

3.

**FACILITATES
RELATIONSHIP
BUILDING -
CUSTOMER TO
CUSTOMER
AND BRAND
TO CUSTOMER**

4.

**ALL
CUSTOMERS
BENEFIT NOT
JUST
“SMALLER
CUSTOMERS”**

5.

**BRANDS HAVE
HAD SUCCESS
CONNECTING
WITH
CUSTOMERS
THROUGH
COMMUNITY
FOR YEARS**

THANK YOU
